

## **Senior Tribute Ads for the Class of 2019**

Senior Tribute ads may be purchased online at [www.smart-pay.com](http://www.smart-pay.com), in Room 504, or at the school front reception desk. Ordering online is most convenient because you may order at home with a debit or credit card and you will upload photos online.

If you are ordering at school, any check or flash drive containing photos and message left at the front desk should be placed in an envelope labeled with the student name and purchaser's name and phone number. You must save all photos to a flash drive and include a message meeting length requirements. Scan any photos on paper that you might have or visit a store that will scan them for you. We will not accept emailed photos. Do not forget to add a congratulatory message, saved in a Word document on the flash drive or handwritten. We reserve the right not to publish photos deemed inappropriate for a high school yearbook. Checks can be made to Flour Bluff High School. Refunds will not be made 60 days from initial purchase.

Prices range from \$75-\$350 for an ad and will be cheaper earlier in the school year. **The ad deadline for payment and all photos is December 7.** Be sure all photos you submit are in digital JPEG form and are not grouped together in one file. In addition, be sure the pictures are not blurry or too dark. We reserve the right not to publish poor quality pictures. We accept partial payments of at least 25 percent down, but all balances will be due December 7.
