Re: Semester Exam Exemptions

Flour Bluff High School will enter into the semester exam test schedule from Tuesday January 15th to Friday January 18th 2019. Students may be exempt from semester exams if they meet the following conditions:

90-100 – 3 absences

80-89 – 2 absences

70-79 – 1 absence

The semester average is determined by the average of the 1st, 2nd and 3rd six weeks grades. A student may qualify to be exempt from all exams in all classes. Students, who are scheduled in advisory, are required to attend advisory class throughout the week as usual. **Students who need the exam grade to improve a semester average should take that exam.** Semester exams will count twenty percent of the semester grade. There will be no early exams administered without prior principal approval. **Once approved, students must make arrangements with their teachers to take the exam. Students who do not make up their semester exam will receive a 0.**

Exempt students are not required to be present during exam periods. The tests will be given during the first and last period of the day so that students who are exempt may come late **and/or** leave early depending on which exams he/she is exempt from. The testing schedule is also attached for your reference.

Sincerely,

James L. Crenshaw
