

P-TECH

Flour Bluff High School

Recruitment Plan

December, 2021 - Brochures will be distributed to all current 8th graders as well as shared on social media to advertise the P-TECH Program. Students will watch a short video to learn more about the P-TECH program and complete a survey.

February 2021 - High school counselors will visit Flour Bluff Junior High School to meet with 8th graders to inform them of high school graduation plans, CTE courses, P-TECH, and prepare them for the course selection process. 8th grade students will complete Choice Sheets for course selection. A parent meeting will be held on February 8, 2022.

March 2021 - High School counselors return to FB Junior High School to finalized course requests with students.
