

P-TECH

Flour Bluff High School

STRATEGIC PRIORITIES:

Benchmark	Priority	Strategies	Evidence/ Timeline
2: Partnerships	Increase collaboration with IHE to provide continuous and multiple college and career focused advising services.	Schedule individualized and small group advising sessions provided by Del Mar College.	In person meetings with DMC advisors twice yearly.
2. Partnerships	Increase the list of strategic partners for the PTECH program.	Explore additional business partners for various roles in WBL for the two pathways identified; Carpentry and Diagnostic & Therapeutic Services.	Strategic partner list updated by May 2025.
4: Academic Infrastructure	Improve plan for TSIA2 success through academic preparation classes and interventions.	Draft testing calendar to allow for multiple testing opportunities for students. Create interventions and instructional plans to improve TSIA2 readiness and success. Monitor usage and success rate of the College Bridge program.	Aggregate test data/results.
