

P-TECH

Flour Bluff High School

Recruitment Plan

Fall and Spring: student representatives from the Construction and Health Science classes will speak to Flour Bluff Jr. High students about the P-TECH Program. The high school students will describe what they do in the courses and answer questions.

February - High school counselors will visit Flour Bluff Junior High School to meet with 8th graders to inform them of high school graduation plans, CTE courses, P-TECH, and prepare them for the course selection process. 8th grade students will complete Choice Sheets for course selection. Hornet Highlights and a parent meeting will be held in February/March.

March - High School counselors return to FB Junior High School to finalized course requests with students.
